# New Range of Distribution Boards WITH POLYCARBONATE TRIMS

Distribution boards are manufactured out of high quality steel sheets and are processed on CNC machines. Each box goes through the 7 tank process of phosphating before they are powder coated in the best possible environment giving the finest finish.

Products referring to IS : 13032 & IEC : 439 & 529.

*Salient Features :-*

- Low watt. loss
- Finger touch
- Over Load Protection
- Trip free mechanism
- Liberal terminal design
- Short Circuit Protection

### Terms and Conditions :-

- Prices are in Indian Rupees.
- This price list supersedes all previous price lists.
- Prices are subject to change without prior notice.
- Dispute if any are subject to Kapurthala jurisdiction only.

### Warranty Policy :-

- All switches and sockets carry a warranty of 10 years from the date of purchase except L.E.D. indicators, Regulators, AC Starters and Electronic Items.
- L.E.D. Indicators Regulators, AC Starters and Electronic Items carry a warranty of 2 years from the date of purchase.
- The warranty does not cover metal wall boxes.
- The warranty is applicable only against manufacturing defects or faulty workmanship.
- The warranty is however subject to the provision of proper usage and does not cover surface coated products, normal wear and tear of parts, defects arising out of fire, accident, voltage fluctuations and willful or accidental damage.
- The manufacturer will not be liable for any consequential loss, injury or damages attributable to defect or failure of its products.
- The company reserves the right to change/improve the design, without prior notice. In such cases, replacements shall be carried out with the design prevailing at that point in time.
