our responsibility....

Cables/Wires for better conductivity

Wires & Cables

For Better Conductivity

COMPLETE ELECTRICAL SOLUTIONS

The Company

SSK engineering company has been setting industrial standards since 1935. Pioneers in manufacture of electrical wiring accessories, SSK has maintained its position of leadership ever since inception. Anticipating the varying and ever changing requirements of the customer, SSK has been developing state of the art products time after time. Its reputation has been further enhanced as all SSK products are manufactured in accordance with CE & ISI standards.

Its high end range of products required in the field of electrical engineering include state of the art modular switches, LED lights of all kinds, industrial switchgears, MCB Distribution boxes, electrical control panels, cable for domestic use, industrial plugs and sockets and wiring accessories etc, in all, about 500 different items. All SSK products are guaranteed, which is evident from the steps that it takes to ensure that every single product that leaves the factory, will live up to its customer's expectations. We are also proud to present India's largest range of world class luxury switches.

Our Philosophy

Seeking, searching, striving. Always evolving, always growing. Never Satisfied with the ways things are.

Focusing on quality with a religious fervour. Setting standards, then surpassing them.

Upgrading processes continuously. Developing new products through R&D.

Making them more and more user-friendly. Expanding markets nationally and internationally.

Penetrating deeper into existing markets. Ensuring the best of pre and after sales services.

Delighting customers and winning their confidence. Creating brand equity, which is the envy of the entire industry.

Building mutually beneficial long-term relationships with business associates, clients and vendors.

Managing every resource optimally. Generating adequate returns to propel future growth.

Setting in motion a momentum that is self-sustaining.

At SSK the pursuit of excellence is never-ending.

Electrical Excellence
Since 1935

Wires & Cables

For Better Conductivity

Nominal Area of Conductor	Number Nominal Dia of Wire	Thickness of Insulation (Nom.)	Approx. Overall diameter	Current Carrying capacity 2 cable, Single Phase In Conduit/ Truncking Amps.	Resistance (max) per Km @ 20C	Standard Packing (90 Meters)
Sq. mm	mm	mm	mm		Ohms.	
0.75	24/0.2*	0.6	2.8	7	26.00	20
1.0	14/0.3*	0.6	3.0	12	18.10	20
1.5	22/0.3*	0.7	3.4	16	12.10	16
2.5	36/0.3*	0.8	4.1	22	7.41	12
4.0	56/0.3*	0.8	4.8	29	4.95	4
6.0	84/0.3*	0.8	5.3	32	3.20	4
10*	140/0.3*	1.0	7.0	42	1.90	1
16*	126/0.4*	1.2	9.7	57	1.21	1

★ **10.00mm & 16.00mm wire packing is in 100 Mtrs.**

FEATURES :

- Flame Retardant
- ETP Copper & Maximum Conductivity
- We use High Grade PVC for Better Quality

COLOUR CODES :

Packing : Order should be in standard box packing.

The prices are subject to change without prior notice
