Three Phase Change Over Switch :

Cat. No.	Rating Amp.	Type	Operating Voltage	Type	Pack Qty.	HSN CODE
AC-108	63A	FP	220/415 V AC +/- 10% 50 Hz	9,961.00	03	8536
AC-109	100A	FP	220/415 V AC +/- 10% 50 Hz	22,811.00	01	8536

Features of Automatic Gen / Main Changeover :

- ▶ Automatically changes the lines from Main to Gen Set & Vice Versa.
- ▶ Changing over the Main line with the relay.
- ▶ Auto Selector.
- ▶ Simplified and Easy Installation.
- ▶ Indication for active power source is available.
- ▶ Avoids physical operations and suffering.
- ▶ All comes as individual Compact Cubical unit.
- ▶ High grade heavy contact points.
- ▶ High quality powder coated CRC Cabinet.

What is Busbar chamber ?

Busbar Chambers are the metallic strips or bars, housed inside the switchgear, panel boards and busway enclosures for high current power distribution and ensure straightforward network configuration. The main purpose of using is it to conduct a substantial current of electricity.

Why Busbar protection is required ?

The primary objective of busbar protection is to limit the damage to wires due to loose contacts and also to minimize power losses in distribution.

COVER MOUNTED ADVANTAGE

- 1) TOTAL HUMAN SAFETY ensure while plugging so that "Earth Connection" is made first before the "Phase Connection". Dring disconnecting "Earth Contact" breaks after the "Phase Contact" i.e. EARTH FIRST MAKE, LAST BREAK.
- 2) Socket unit specially COVER MOUNTED to keep it separate during construction activity.
- 3) Artistically deep drawn enclosure avoiding wild joints for better aesthetics and strength.
- 4) Easy and quick fitting / connections ensured by pre-wired unit with adopter.
- 5) Suitable for short circuit & overload protection of Ac's / Geysers etc. When fitted with MCB.

The most trusted brand since 1935

Terms and Conditions :-

- ◆ Prices are in Indian Rupees.
- ◆ This price list supersedes all previous price lists.
- ◆ Prices are subject to change without prior notice.
- ◆ Dispute if any are subject to Kapurthala jurisdiction only.

Warranty Policy :-

- ◆ The warranty is applicable only against manufacturing defects or faulty workmanship.
- ◆ The warranty is however subject to the provision of proper usage and does not cover surface coated products, normal wear and tear of parts, defects arising out of fire, accident, voltage fluctuations and willful or accidental damage.
- ◆ The manufacturer will not be liable for any consequential loss, injury or damages attributable to defect or failure of its products.
- ◆ The company reserves the right to change/improve the design, without prior notice. In such cases, replacements shall be carried out with the design prevailing at that point in time.
